

Cone Engineering/Megs Exhaust Builders Warehouse

Presents

A Once-in-a-Lifetime, Blow-Out Clearance Sale Extravaganza

“A Fabricators Dream”

We have a huge overstock of exhaust components, over-runs, leftovers and discontinued items and need to make some room so our loss is your gain! We have mild steel and stainless steel, all in various shapes and sizes. There are multi-bend midpipes, exhaust tips, mufflers, slip-on Harley exhaust, cones, collectors, and all kinds of other exhaust products – it doesn't really matter what they were originally made for, you're Fabricator Man! Cut it up and use it for something else! A bright, talented guy like you can easily turn it into something cool!

It's worth the drive to stop by and check it out. LONG BEACH VETS STADIUM CAR SWAP
IS THE SALE DAY – MAKE IT A TWO-FER DAY BY THE BEACH!
